About the Journal

Acknowledgements

We would like to express our gratitude to Dr. Benjamin Lough for supporting our efforts to continue publishing undergraduate students' original work in the Journal of Undergraduate Social Work Research (JUSWR): A Journal of Undergraduate Research, Policy Reviews, and Other Creative Works. We also thank the School of Social Work faculty for the encouragement they extended to the authors of the JUSWR 10th issue. We further wish to acknowledge and extend a very special thanks to the faculty and PhD student advisors for their extraordinary mentoring, guidance, and support on behalf of the student authors.

Dr. Rachel Garthe is our Undergraduate Research Coordinator. She brings her enthusiasm and her extensive knowledge of research to our advisory board. We are grateful for her expertise, guidance, and steady support.

Last, but far from least, the JUSWR Advisory Board and Senior Editor wish to express our pride in and gratitude for our peer editors and graduate student advisors. These stellar students understood they were making a commitment: to participate in mandatory training, to review materials, and to offer viable, supportive recommendations to the student authors. We especially are grateful for their flexibility and dedication. Well done!
