Acknowledgements

We would like to express our gratitude to Dean Steven Anderson for supporting our efforts to continue publishing undergraduate student's original work in the Journal of Undergraduate Social Work Research (JUSWR). We also thank the School of Social Work faculty for the encouragement they extended to the authors of the JUSWR 5th issue. We further wish to acknowledge and extend a very special thanks to Rachel Garthe, PhD; Shongha Kim, MSW; Tara Earls Larrison, PhD; and Catherine Prendergast, PhD, for their extraordinary mentoring, guidance, and support on behalf of the student authors.

Dr. Rachel Garthe is our Undergraduate Research Program Coordinator. She brings her enthusiasm and her extensive knowledge of research to our advisory board. We are grateful for her expertise, guidance, and steady support as we published our second issue while being virtual during the COVID-19 pandemic.

Last, but far from least, the JUSWR Advisory Board and Senior Editor wish to express our pride in and gratitude for our JUSWR peer editors. These stellar students understood they were making a commitment: to participate in mandatory training, to review materials, and to offer viable, supportive recommendations to the student authors. We especially are grateful for their flexibility and dedication. Well done!
